Rachael-

It should be working, though we haven't received or sent any faxes today yet. Our phones are working okay, and they use the same lines, so I don't know why it isn't working. I guess try again later and if I still doesn't work, I'll try faxing something out to see if that works.

Hey Sonja – I was wondering if your fax machine was working okay – we have been trying to fax you a court notice, and both times it has not gone through. The fax number we have is 413-545-2608. Thanks!
